PROPERTY DETAILS

Address: G Road, Waterloo IL 62298

Reduced Price \$175,000 / List Price \$187,500

This 25 acres with a lake lays off of G Road with a 25-foot easement back to it in Monroe County (Section 19 T3S-R9W). This would make a great home site with a shared lake. Plenty of fishing and wildlife on this property; we startled several deer when out on the property, but we were not quick enough with the camera. Beautiful home site with rolling pasture in the Waterloo school district with a shared lake off the beaten path. Rolling pasture with 11 acres recently expired in CRP.
