Address: 7201 South Fork Road, Red Bud IL 62278

List Price \$330,000

This two-story Victorian home is set on 6.9 acres overlooking the private pond. A Red Bud address, yet it is in Waterloo School District. The home was constructed in 1992 but has been updated on the outside. The covered stamped concrete patio is large enough to entertain or just enjoy your coffee watching and listening to nature come to life. The kitchen has a breakfast bar and walk-in pantry. The spacious living room has a hardwood floor and gas fireplace. There is also a 1/2 bath, laundry and an attached garage at the main level. The master suite is upstairs and has a full bath, walk-in closet and gas fireplace. The other 2 bedrooms upstairs are nice sized and both have walk-in closets. The basement of this home has a surprise - there is a simulator for a shooting range to practice trap shooting - this will stay with the home. There is also a full bathroom in the basement, workshop area, utility room, storage area once used as a salon and another way out of the basement to the upstairs. The home also has a matching detached garage with lean-to for parking. This is a great set up for country living.
